✓ 28. [REDACTED] LIAISON Carol Wiiks, House Permanent Select Committee on Intelligence staff, called asking for copies of all unclassified CIA publications listed in the October 1977 through January 1978 DOCEX list that we sent to Thomas K. Latimer, Staff Director. Carol said that Representative Bill D. Burlison (D., Mo.) has requested this. In reply to my questions, she said that DOCEX had told her that the originating agency should provide copies of publications requested or needed by other entities of the United States Government. I have forwarded the request to [REDACTED] NEAC/CSS.

2.  LIAISON Received a call from Frank Robinson, in the Los Angeles, California district office of Senator S. I. Hayakawa (R., Calif.), who wanted to know if we could furnish him with two large maps of the state of California, showing counties, cities, highways, etc. I told him I would check into it and get back to him. I later called him and told him that our maps deal with foreign countries rather than the U.S. and suggested that he try the Library of Congress.

26. [REDACTED] LIAISON Thomas K. Latimer, Staff Director, House Permanent Select Committee on Intelligence, called with three items: (1) He asked whether the DOCEX list of CIA publications was a list of purely non-classified publications. I answered affirmatively. (2) He said that there was considerable Membership interest, based on press coverage, of SA-10 surface to air capabilities against U.S. missiles and that this would be a likely topic for the next bi-weekly briefing of the Committee. Mr. Latimer added that he would be in touch with me to schedule the next briefing inasmuch as the Committee is pretty well tied up in budget hearings right now. I said that I would pass on his indications of Member interest to [REDACTED] NFAC/CSS. and (3) He asked if he could have the AEGIS run on Somalia/Ethiopian intelligence production for Dick Giza, of the staff, to read prior to Giza's meeting with NFAC Director, Dr. Robert Bowie. After talking to [REDACTED] I told him that we would be forwarding the listing.
